Please see the admitted L.A. Question 3
No.805 by Smt. Kempamma at page 3 c.f. The clause 'A' refers to the extent of the forest area in Yellamdur Taluka whereas clause 'A' in the advance copy of the question refers to the percentage of the forest area in Yellandur Taluka. The replies received from the C.C.F. are at page 5 and 5B. The replies are prepared on the basis of the advance copy of the L.A.Question. Since clause 'A' of the L.A. Question originally received refers to percentage of the forest area in Yellandur Taluka, the reply is given in terms of percentage and not in terms of the extant

Serial No.

of the forest area. Since the admitted question refers to the extent of forest area, it will not be correct to indicate it in terms of percentage of the forest area in the said Taluka. I have requested Shri Syam Sunder to get the information in respect of the extent of the forest area and furnish the same to Government as early as possible. After it is received, the reply to clause 'A' will be indicated. In the meanwhile, replies proposed to other clauses as at page 6 may be approved.

Copy of letter No.B3-L.Dis.2942/59, dated 21st March 1961, from the Chief Conservator of Forests in Mysore, Bangalore, to the Secretary to the Government of Mysore, Agriculture and Forest Departments, Bangalore.

.....

Subject:--Representation from Srimathi Kempamma, M.L.A., Yelandur Taluk, for release of Amekere Forest to the Harijans of Maddur Budikatte Village.

Reference:--Your letter No.AFD.124 FGN 59 dated 11th August 1960.

.....

The area in question is reported to be included in Biligiri Rangan Temple Forest and bears good growth of sandal saplings all over the area. It is in the midst of the Forest, infested with elephants. In view of this the Divisional Forest Officer, Mysore, has rejected a proposal made by the Deputy Commissioner, Mysore, for releasing the F.S. No.971 of Maddur Village, for the formation of an Agricultural Colony. The Divisional Forest Officer now reports that the Harijans of Maddur village tried to encroach this Forest, but were prevented from doing so and that at present no Forest area in this Survey No. has been encroached upon.

NO.FCP.C.LAQ /61-62. Divisional Forest Office, Mysore
Mysore, dated the 11th July, 1961.

To

The Chief Conservator of Forests
in Mysore, Bangalore.

Sir,

Sub:- Legislative Assembly Question No.805 of Srimathi Kempamma, M.L.A. Yelandur Taluk. Kollegal.

Ref:- Your Memo No.B3.LAQ-4-1000 15/61-62 dated 6-7-1961.

....

In reply I write to state as follows:-

a) The percentage of Forest area in Yelandur Taluk is 33.65 %

b) There is no area in B.R.T. Forests that can be released for cultivation and at the same time without affecting the forest wealth or its income. The entire forest area in B.R.T. Forests is subject to the havoc of Wild Animals, release of which may not be in the interest of any bound agriculture.

c) ... N i l ...

d) There was a proposal from the Deputy Commissioner, Mysore for the release of Forest lands in S.No.971 of Maddur Village for the formation of an agricultural colony, for which I replied that it is not feasible to release the area in question since it contains rich sandal growth and also suitable for raising plantations favouring the existing sandal growth.

In this connection I invite your kind reference to your letter No. B3.L.Dis.2942/59 dated 21-3-1961 addressed to the Secretary to the Government of Mysore, Agriculture and Forest Department, Bangalore and copied to me.

Yours faithfully,

(B. Balaiah)
